Wedding Day Ready Package

Professional steaming, inspection and final preparation before your wedding day.

Your wedding gown has been altered, fitted and carefully chosen for one of the most important days of your life. The last thing you want to worry about is whether it is properly steamed, a button has loosened, or the bustle needs one more look before you put it on.

Leave the final gown preparation to us!

The Wedding Day Ready Package gives you one less thing to manage before your wedding day.

Bring your gown to Sew Fabulous before your wedding day, and our team will professionally prepare, inspect and finish it so it is ready for you to pick up to wear.

Whats Included:

- Professional steaming of your wedding gown
- Professional steaming of your veil, if provided
- A Wedding Day Readiness Checklist
- Inspection of buttons, hooks, zippers and closures
- Inspection of your bustle and/or Trainloops system, if applicable
- Lint removal and final finishing touches
- Proper hanging and preparation for transport
- A complimentary Sew Fabulous Bridal Emergency Kit

If we identify something that may need attention while preparing your gown, we will contact you with our additional recommendation before completing any additional work.

How It Works:

1. Drop Off Your Gown

Gowns are typically dropped off at Sew Fabulous two days before the wedding unless another arrangement has been made. You may also leave your veil, overskirt, cape, jacket, or other wedding-day garment pieces you would like us to prepare.

2. We Prepare and Inspect It

Our team professionally steams your gown and completes a final readiness inspection, checking the details that can make a big difference once it is time to get dressed.

3. Pick Up Your Wedding-Day-Ready Gown

We will have your gown properly hung, finished and prepared for transport at your scheduled pickup time. You leave with your gown ready for the wedding and one less thing on your wedding-day list.

Reserve Your Wedding Day Ready Package

Planning ahead helps us make sure we can accommodate your wedding date and preferred pickup time.

Advance reservations are recommended as availability is limited at Sew Fabulous.

Need More Wedding Day Support?

Additional bridal services are available, including:

- Bridal Dressing Experience
- Wedding Day Concierge Service
- Wedding Gown Preservation Information
- Trainloops Information

If you are looking for a professional seamstress to be with you at your wedding location, ask us about our Wedding Day Peace of Mind Service.
